Student Notification: B.S. in Multimedia Journalism

[REDACTED]

This email is to inform to you that as of June 30, 2023, the **Bachelor of Science in Multimedia Journalism**, in which you are currently enrolled, was discontinued for incoming students by the Arkansas Department of Education. Arkansas Code §6-61-214 requires that the Arkansas Higher Education Coordinating Board (AHECB) review existing academic programs and occasionally the Board recommends a program be discontinued due to low enrollment.

We want to assure you that you will be able to complete your degree in this program as long as you remain continuously enrolled at A-State and are making progress towards completion of this major. Please work with your advisor to

develop a graduation plan and map out the courses you will need to complete your degree

We are dedicated in helping you complete your current degree or transitioning to another if that is a better fit for you. We are excited to announce that this program is being redesigned in a newly configured format and more information will be forthcoming.

If you have any questions, I encourage you to reach out to Dr. Jill Simons, Associate Dean of Student Affairs in the College of Liberal Arts and Communication. The CLAC Student Resource Center is at your service to assist you in this and other matters.

My best

Brad Rawlins, Ph.D.

Professor and Interim Dean
College of Liberal Arts & Communication
